

# **INDERPRASTHA ENGINEERING COLLEGE**

**DEPARTMENT OF COMPUTER SCIENCE ENGINEERING AND  
INFROMATION TECHNOLOGY**

## **ASSOCIATION OF COMPUTING MACHINERY**

### **LOGICSCAPE EVENT**

**DATE: 30<sup>TH</sup> OCTOBER, 2017**

Association of computing machinery organized a coding competition named “**LOGICSCAPE**” for all the students of branch CS and IT on October 30, 2017.

- The competition was organized under the guidance and judgment of

**Mrs. Pooja Tripathi (HOD IT)**

**Mrs. Rekha kashyap (HOD CS)**

- The competition was conducted with the intention to judge the competence level of coding within students.
- A total of 15 teams of 2 participant in each team came up for competition.
- This was only 1 round event: In the round participants have to code the problems and each problem was unlocked by the answer of previous problem.
- Students were excited to participate as they got the platform to assess their coding knowledge.
- The winners are as follows :

**1. SHIVAM KUMAR YADAV AND RISHABH JAIN (3<sup>nd</sup> year CS)**

**2. SUDHANSHU AND PRIYANKA (3<sup>nd</sup> year CS)**

**3. MEGHA MATHUR AND NIKITA HANDA (3<sup>rd</sup> year CS)**

- In order to encourage them to participate in many such events coming up in future the winners will be awarded with prizes as follows:

1. First prize: Certification of merit.

2. Second prize: Certification of merit.

3. Third prize: Certification of merit.

**STUDENT INCHARGES: AKSHAY SACHAN AND AMAN VERMA.**

**REPORT PREPARED BY:**

**SKANDH GUPTA (DOCUMENTATION HEAD)**
