

IPEC ACM STUDENT CHAPTER

(Department of CSE & IT)

EVENT: CRACK CODE REPORT

DATE: 6TH FEBURARY, 2017

Association of computing machinery organized a coding competition named **"CRACK CODE"** for all the students of branch CS and IT on February 6, 2017.

- The competition was organized under the guidance of and judgment of
Mrs. Pooja Tripathi (HOD IT)
Mrs. Rekha kashyap (HOD CS)
- The competition was conducted with the intention to judge the competence level of coding within students.
- A total of 35 teams and 26 individuals came up for competition.
- This was a two round event: In round 1 student had to convert the given algorithm into flowchart and in round 2 the flowchart was implemented as a code.
- Students were excited to participate as they got the platform to assess their coding knowledge.
- The winners are as follows :
 1. SUDHANSHU AND PRIYANKA (2nd year CS)
 2. AKSHAY AND POOJA (2nd year CS)
 3. AYUSH SHARMA (3rd year CS)
- In order to encourage them to participate in many such events coming up in future the winners will be awarded with prizes as follows:
 1. First prize: Certification of merit + Prize.
 2. Second prize: Certification of merit.
 3. Third prize: Certification of merit.

STUDENT INCHARGE: SURBHI PANDEY AND SHUBHENDRA RAJAN

REPORT PREPARED BY: SHIVI PANWAR AND ASHI SHARMA
